In the matter of COIN COLLECTING, there is no outlay of funds that brings equal satisfaction to that expended for PRICED CATALOGUES of current sales. I hold monthly public auctions, bona fide sales, without reserve, and will supply Catalogues, neatly priced by hand in red ink, at the rate of 50c. per day's sale.

Bills rendered to annual subscribers June 30th and December 31st.

SOME FACTS REGARDING THE BIDDING BY COLLECTORS FOR LOTS IN PUBLIC AUCTION SALES OF COINS THAT ARE INTERESTING.

The patronage my sale of December 18th receeived, was very large, and the number of lots bid for, in eaeh instance, exeeeded those in any of my sales during the past three years. Notwithstanding this, the number who were totally unsuccessful was greater than ever before. 33% of those who favored me with their commissions, were out-bid on every lot they made an offer on.

In an address on "The Paper Money of the Revolution," by Mr. J. W. Scott, before the American Numismatic and Archaeological Society, May 4, 1888, and later my own edition of the Scott Stamp and Coin Co.'s Paper Money Catalogue (1894), no reference whatever is made to *watermarked paper*. I have further sought the catalogues of prominent sales of paper money with the same results. Therefore I am inclined to think this distinctive feature has been overlooked up to this time.
